this looks good to use reactively when talking to the residents. Please have your folks coordinate with me if they get any media questions/requests.

Thank you

Betsaida & Bob - Here is what I believe to be the final/final fact sheet, note to residents, and desk statement. Betsaida, I made a few minor changes to each. To avoid any confusion, I would like to have a quick call with you to ensure you are alright with it before we pull the trigger. We had previously sent you some Qs&As for our folks in the field. I am making a few changes and will send those to you shortly. Call me on my cell

Thanks - Shawn
